The image shows two screenshots of the CLASSEIVA web application interface. The top screenshot displays a dialog box titled "Rendi disponibile agli alunni della classe" (Make available to students of the class). The dialog has a red header and contains a dropdown menu labeled "Classe" with the selected option "5S Servizi Socio Sanitari". Below the dropdown are "Annulla" (Cancel) and "Conferma" (Confirm) buttons. A green callout box with a white background and a green border points to the dropdown menu, containing the text "Scegli la classe e conferma" (Choose the class and confirm).

The bottom screenshot shows the same application interface after the dialog is closed. The "Materiale compiti" (Assignment material) section now displays a list of assignments.
